AZTEC, NEW MEXICO

April 10, 1966

Mr. L. F. Stone
Stone Drilling, Inc.
422 West Broadway
Farmington, New Mexico

Re: Don G. Furr, Roy K. Furr,
Toby Foster Santa Fe #1
E-28-21N-9W, San Juan County
New Mexico

Dear Mr. Stone:

The location of subject well has not been cleaned of all junk.

Please cause the used bits, drilling line, cans, etc. to be removed from the location.

Please sign and return the attached form when the work has been completed.

Yours very truly

A. R. Kendrick
Engineer, District #3

RE: Plugging Reports

Don G. Furr, Roy K. Furr, Toby Foster

Gentlemen:

Form C-103, Notice of Intention to Plug, your Santa Fe #1 E-28-21N-9W
Lease Well No. Unit- S-T-R
was approved on _____. Your subsequent notice of plugging cannot be
approved until a commission representative has made an inspection of the location
to see:

- (1) all pits have been filled and leveled;
- (2) a steel marker, 4" in diameter and approximately 4' above mean ground level, must be set in concrete, this marker must have the quarter-quarter section or unit designation, section, township and range numbers, which shall be permanently stenciled or welded on the marker;
- (3) the location shall be cleared and cleaned of all junk;
- (4) the dead man wires must be cut.

The above are the minimum requirements.

Please notify us by filling in the blank form below when this work has been done so that our representative will not have to make more than one trip to the location.
