Gentlemen:

Reference is made to your well No. 41 Dome Federal 13, NE $\frac{1}{4}$ NE $\frac{1}{4}$ sec. 13,
T. 23 N., R. 8 W., San Juan County, New Mexico, lease NM 14442. A
review of your completion report indicates gas is being vented while you
are waiting on a gas pipeline. You are hereby advised no gas is to be
vented beyond August 30, 1980. If no pipeline is available at that time
you are hereby ordered to shut the well in until a sales connection is
obtained. Advise this office upon shut-down of the well.

Sincerely yours,
