Gentlemen:

Enclosed is your Application for Permit to Drill (APD) well No. 33
Jeffers Federal 2, NW¹/₄SE¹/₄ sec. 2, T. 23 N., R. 8 W., San Juan County,
New Mexico, lease NW-29560. As discussed with Don Osmus of your Company
on March 2, 1983, the subject APD is rescinded and returned due to drilling
not being commenced within one year of the approval date.

You are required to request surface rehabilitation instructions from this
office if construction activities occurred on the referenced drill site.
If this office does not receive comment within 15 days, it will presume
that no construction occurred and proceed accordingly. Later discovery
that construction activities have in fact occurred, will result in assessment
of liquidated damages.

Sincerely yours,

For James F. Sims
District Oil and Gas Supervisor
