Also referenced is your letter dated June 13, 2000, which summarized our discussion concerning the above mentioned wells which was conducted in your office on May 26, 2000. To drill the additional wells, acquire right-of-ways, lay a gathering system, hook up the wells and place them on production would require addition time to complete, therefore the current shut-in status is hereby extended until June 15, 2003.

Failure to comply within the time above may result in an assessment in accordance with 43 CFR 3163.1.

Under provisions of 43 CFR 3165.3, you may request an Administrative Review of the orders described above. Such request, including all supporting documents, must be filed in writing within 20 business days of receipt of this notice and must be filed with the State Director, Bureau of Land Management, P. O. Box 27115, Santa Fe, New Mexico 87502-0115. Such requests shall not result in a suspension of the order(s) unless the reviewing official so determines. Procedures governing appeals from instructions, orders or decisions are contained in 43 CFR 3165.4 and 43 CFR 4.400 *et seq.*

If you have any questions please contact Stephen Mason with this office at (505) 599-6364.
