Attention: John C. Corbett
Vice President - Exploration

Administrative Order NSL-2668

Dear Mr. Corbett:

Reference is made to your application of June 9, 1989 for authorization to reenter the previously plugged and abandoned Pan American Petroleum Corporation John S. Dashko Well No. 1 located an unorthodox oil well location 530 feet from the South line and 790 feet from the West line (Unit M) of Section 15, Township 24 South, Range 7 West, NMPM, Escrito-Gallup Associated Pool, Rio Arriba County, New Mexico.

By the authority granted me under the provisions of Rule 2(c) of the General Rules and Regulations for the Associated Oil and Gas Pools of Northeast and Southeast New Mexico as promulgated by Division Order No. R-5353, as amended, the above-described unorthodox oil well location is hereby approved.

Sincerely,

William J. LeMay

Subject: Request for Unorthodox Location
Brian Nielsen Well No. 1
530' FSL, 790' FWL ✓
Section 15, T24N, R7W
Rio Arriba Co., NM

Dear Mr. Stogner:

Hixon Development Company proposes to re-enter the Pan Am Petroleum John S. Dashko well in an unorthodox location in the Escrito Gallup pool in the Rio Arriba County. The well name will be changed to the Brian Nielsen Well No. 1. Please see the attached lease map.

We request your administrative approval to re-enter the unorthodox location based on the existing wellbore and the area's adverse topography. If I can answer any questions concerning the matter, please do not hesitate to call me at (505) 326-3325 or write to me in our Farmington office at P.O. Box 2810, Farmington, NM 87499.

Very truly yours,

John C. Corbett
Vice President - Exploration
