Cliffs Pool

Dear Mr. Neely:

An annual deliverability test report was received for the above-captioned well on January 27, 1964, as a 1963 test.

A tentative allowable is being assigned the well effective February 17, 1964, using the deliverability as shown on the above-mentioned test report with the understanding that the well be tested for 1964 in the very near future. The allowable will be revised based upon the results of the 1964 test and shall be effective February 17, 1964.

If we can be of further service, please contact us.

Yours very truly

A. R. Kendrick  
Engineer, District #3
