13. Describe Proposed or completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Merrion Oil & Gas has received approval to plug and abandon the subject well. The work was supposed to have been completed by August 1, 1997. Due to rig availability problems, we will not be able to commence the plugging work until late August or September. We therefore request an extension of the deadline to complete plugging operations until October 1, 1997.
