Dear Mr. Kendrick:

In answer to your letter of July 25, 1956 regarding our two Sloan wells with like names in Canyon Largo, please accept the following explanation.

The Superior - Alberta Sloan-Government #1-12, Section 12, 25N, 6W was staked using the entire lease name. The Superior - Sloan et al-Government #1-12, Section 12, 24N, 6W was staked using the name Sloan et al to help differentiate between the two wells. Unfortunately, the Sloan et al-Government #1-12 followed directly after the other well in our drilling program.

Here in this office, we have to keep close tab on all paper work regarding these two wells to keep the charges properly appointed.

I hope I have clarified the situation.

Yours truly,

THE SUPERIOR OIL COMPANY
