Attention: Mr. Emery C. Arnold

Gentlemen:

Enclosed herewith is Form C-122A in triplicate, reporting the initial deliverability test for the El Dorado Refining Company BOLACK "B" No. 2. This well is located in Unit K - Section 1-24N-6W, Rio Arriba County, New Mexico.

This report was originally filed February 12, 1958 with your Santa Fe office, and for that reason you did not receive the necessary copies. I am very sorry that this occurred and I hope that you were not inconvenienced by our mistake. The initial gas sale for the subject well occurred December 13, 1957. As may be noted, the test was conducted from January 1, through January 15, 1958. In the event that additional information is required, please do not hesitate to contact me.

Very truly yours,

N. B. GOVE
