CHAPTER I.

1630

THE first settlement in the city of Boston was made by a company of Englishmen, who were sent out by the Massachusetts Bay Company, in the year 1630. They were led by John Winthrop, who was the first governor of the colony. They settled on the island of Boston, and built a fort on the point of the city. The city was then called Boston, and was the first English settlement in New England.
