*Re: Kay Kimbell #1-22 Salazar-Federal
Section 22-25N-6W, Rio Arriba Co.*

Dear Mr. Donegan:

We need Form C-128 showing 160-acre dedication for the Chacra zone of the subject well. The certification by the surveyors is not required for this dedication.

A letter requesting administrative order for dual completion accompanied by a schematic diagram of the completion mechanics, a plat showing offset ownerships, and a packer setting affidavit should be submitted as follows: Three copies to the New Mexico Oil Conservation Commission Box 871, Santa Fe, New Mexico, Attention Mr. A. L. Porter; one copy to this office; and one copy to each offset operator by registered mail. All receipts for registered mail or waivers from offset operators should accompany the application to the Santa Fe office.

If we can be of further assistance, please contact us.

Yours very truly

A. R. Kendrick
Engineer, District #3
