Re: Penrose Production Company
#3 Florance, NE 4-25N-3W
Rio Arriba County, New Mexico

Dear Sir:

Notice of Intention to Drill has been received for the above well and we note that the acreage dedication plat indicates that there are 195.91 acres within this quarter-section.

Tapacito Pool Rules require that administrative approval of this non-standard unit be secured prior to production. Application for administrative approval should be directed to Mr. A. L. Porter, Jr. Secretary-Director, Oil Conservation Commission, Box 971, Santa Fe, New Mexico. Approval should be asked under the terms of Order R-1670-C, Rule 5(b). All offset operators to the quarter-section should also be notified of your application or if possible, waivers should be secured from offsets in order to expedite approval.

If any further information is desired, please contact us.

Yours very truly

Emery C. Arnold
Supervisor, District #3
