13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

We have submitted an AFE to our partners to return this well to production. We have had some difficulty in the past with AFE approval. This work will include a mechanical test of the casing. Because of winter weather, this work will be completed as soon as possible, but no later than 6-15-95.

14. I hereby certify that the foregoing is true and correct
