

Memo

From

A. R. KENDRICK
Supervisor

11/1/78

To Joyce B. Sparks:

Enclosed are copies of Mr. Gholson's field notes showing how the well was plugged.

Please cause the information to be applied to form C-103 showing where and how plugs were set and where the top of the remaining casing is as required by Rule 1103.

The detail is required for our record. To be filed by the operator's representative - not us.

If there are questions, please call.
