Re: Continental Oil Co.
AXI Apache 0 #2
D 3-25N-4W

Gentlemen:

The subject well was completed as a dual completion on January 7, 1974.

The packer-leakage test instructions on the back of the enclosed test forms indicate that a test shall be initiated within 7 days of completion and that the test results shall be filed within 15 days after completion of such test.

We have not received the packer-leakage test report.

Please submit the initial packer-leakage test report in triplicate by return mail.

Yours very truly,

A. R. Kendrick
Engineer, District #3
