

INSTRUCTIONS

General: This form is designed for submitting a complete and correct well completion report and log on all types of lands and leases to either a Federal agency or a State agency, as applicable, and to appropriate Federal and/or State laws and regulations. Any necessary special instructions concerning the use of this form and the number of copies to be submitted, and the data which pertain to local, area, or regional procedures and practices, either are shown below or will be issued by, or may be obtained from, the local Federal agency or State agency. See instructions on items 22 and 24, and 33, below regarding separate reports for separate completions.

If you have plans to use the well completion report in a separate report, copies of all currently available logs (geologic, geologic, sample and core analysis, all types electric, etc.), formation logs, and previous logs, if any, should be submitted, copies of all currently available logs (geologic, geologic, sample and core analysis, all types electric, etc.), formation logs, and previous logs, if any, should be attached hereto, to the extent required by applicable Federal and/or State laws and regulations. All attachments should be noted on this form, see item 33.

Item 4: If there are no applicable State requirements, locations on Federal or Indian land should be described in accordance with Federal requirements. Consult local State or Federal office for specific instructions.

Item 18: Indicate which completion is used as reference (where not otherwise shown) for depth measurements given in other spaces on this form and in any attachments.

Items 22 and 24: If this well is completed for separate production from more than one interval zone (multiple completion), so state in item 22, and in item 24 show the producing interval, or intervals, top(s), bottom(s) and names (if any) for only the interval reported in item 33. Submit a separate report (page) on this form, adequately identified, for each additional interval, showing the additional data pertinent to such interval.

Item 29: "Cementing": Attached supplemental records for this well should show the details of any multiple stage cementing and the location of the cementing tool.

Item 33: Submit a separate completion report on this form for each interval to be separately produced. (See instruction for items 22 and 24 above.)
