Gentlemen:

Enclosed is your Application for Permit to Drill (APD) well No. 8 Phillips 32, NE/4SW/4 sec. 32, T. 25 N., R. 3 W., Rio Arriba County, New Mexico, lease SF-079549. As discussed with R.D. Simmons representing your company on July 6, 1987, the subject APD is rescinded and returned due to drilling not being commenced within the second six month extension period following the original one year approval period.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill site. If this office does not receive comment within 30 days, it will presume that no construction occurred and proceed accordingly. Later discovery that construction activities have in fact occurred, may result in an assessment for noncompliance.

Sincerely,

/s/ John L. Keller
