Re: An illegal pit at the John H. Dashko #4 E-12-24N-07W

Dear Mr. McCord:

A recent field inspection revealed that the un-netted production pit at the referenced well contains about 3 BBLS of oil in violation of order R-8952. Your application for exception to the order (form C-134) is not approved and you are hereby directed to bring the pit into compliance prior to September 26, 1994.

Yours truly
