BUREAU OF LAND MANAGEMENT
FARMINGTON RESOURCE AREA

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Item #8 on the Development Plan (Exhibit "A") attached to our APD which was approved 11-13-84, indicated that a trailer house would not be utilized during the drilling of the well. We do plan to utilize a temporary trailer house during the drilling operations on this well and request approval for this amendment to our Development Plan.

Subsurface Safety Valve: Manu. and Type

18. I hereby certify that the foregoing is true and correct
