Attn: Mr. R. L. Stamets

Dear Mr. Stamets:

Please refer to Curtis J. Little's letter dated June 4, 1985, concerning an application for Administrative Approval for an unorthodox location on his Salazar #12 located 515' FNL and 875' FEL of Section 21, T25N, R6W in Rio Arriba County, N.M.

This well will be a dual well in the Ballard Pictured Cliffs gas field and the Otera Chacra gas field.

The original application indicated the Ballard Pictured Cliffs formation only.

I apologize for any inconvenience this has caused your office.
