Dear Mr. Payer:

Enclosed are your Applications for Permit to Drill (APDs) well No. 43 Lindrith B Unit, located NE/4NW/4 sec. 22, T. 24 N., R. 3 W., on lease SF-078913, and well No. 47 Lindrith B Unit, located SE/4SE/4 sec. 28, T. 24 N., R. 3 W., on lease SF-078914, Rio Arriba County, New Mexico. As discussed with you on December 10, 1986, the subject APDs are rescinded and returned due to drilling not being commenced within one year of the approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill sites. If this office does not receive comment within 15 days, we will presume that no construction occurred. Later discovery that construction activities have in fact occurred, will result in an assessment.

Sincerely,

/s/ Robert Minors
