13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

This well was approved for workover Feb. 23, 1998. The work was not performed at that time

due to economic reasons. It is now planned to work the well over during August, 1999.

We ask approval to allow the well to continue in its present TA state until then.

14. I hereby certify that the foregoing is true and correct
