**MEMORANDUM**

**TO:** Ernie Busch

**FROM:** Michael E. Stogner *MES*

**DATE:** July 1, 1992

**SUBJECT:** Mobil Exploration & Production U.S. Inc. drilling permit amendment for its Miller Com Well No. 1; G-17-T24N-R2W, Rio Arriba County, New Mexico.

---

Per our telephone conversation today concerning the attached Mobil request, perhaps this matter can best be handled at the District level without Santa Fe's involvement. I think it would be prudent however to include any changes Aztec recommends on the next nomenclature case and to submit such matter as quickly as possible so as to alleviate the resulting contradiction in data between our two offices.

DRILLING PERMIT AMENDMENT  
MILLER COM LEASE  
WELL NO. 1  
LINDRITH, WEST (GALLUP-DAKOTA) FIELD  
RIO ARriba COUNTY, NEW MEXICO

Gentlemen:

Mobil Exploration & Producing U.S. Inc. (MEPUS), as Agent for Mobil Producing Texas & New Mexico Inc., respectfully requests that the permit for the subject well be amended to place the well in the Lindrith, West (Gallup-Dakota) Field as an extension of that pool. After talking with Ernie Busch of the Aztec NMOCD, we are in agreement that the well was erroneously permitted in the [REDACTED] and should be placed in the [REDACTED] to attain its rightful allowable.

The subject well was moved from its original location at 1850' from the North and 1850' from the East lines of Section 17 due to the location's proximity to the Jerome P. McHugh well, Di's Delight in the Blanco Pictured Cliffs gas pool. Mobil is the only offset operator for the Dakota formation surrounding the 160 Acre proration unit for the subject well.

The following items are being submitted, in triplicate, in support of this request:

1. Form C-101 - Application for Permit to Drill, Deepen or Plug Back;
2. Form C-102 - Well location and acreage dedication plat;
3. Area Vicinity Map;
4. Sundry Notice Requesting the Field Change.
