Re: Proposed NSP _____

Proposed NSL XXXX

Proposed NFO _____

Proposed DC _____

Gentlemen:

I have examined the application dated July 15, 1965
for the Bolack-Greer, Inc. Canada Ojitos Unit #9 C-2-25N-1W
Operator Lease and Well No. S-T-R

and my recommendations are as follows:

The application does not state the status of offset ownership. A plat or
statement has been requested from the operator. (See attached letter)

The terrain in the area is very abrupt and the canyons very narrow.

The location has not been inspected. If inspection is desired, please advise.

Yours very truly,

A. R. Kendrick
