Attention: Mr. Albert R. Greer, Vice-President

Re: Canada Ojitos Unit Well No. 1,
Puerto Chiquito-Gallup Oil Pool,
Rio Arriba County, New Mexico

Gentlemen:

Your application to drill the above well at a non-standard location 850 feet from the North line and 1030 feet from the East line of Section 16, Township 25 North, Range 1 West, NMPM, Rio Arriba County, New Mexico, has been forwarded to this office for processing.

It is our opinion that grass conditions cannot be considered as topography, and that your application is therefore not eligible for administrative approval under the provisions of the Special Rules and Regulations governing the pool.

We have tentatively placed your application on the docket for the July 28, 1965, examiner hearing. Please advise us if this date will not be satisfactory to you. We will forward a docket to you prior to the hearing.

Very truly yours,

J. M. Durrett, Jr.

Re: Canada Oilfield Unit No. 1,
Pacito Chiquito-Gallup Oil Pool,
Rio Arriba County, New Mexico

Gentlemen:

Your application to drill the above well at a new location
location 850 feet from the North line and 1080 feet from the East
line of Section 16, Township 25 North, Range 1 West, NMRB, Rio
Arriba County, New Mexico, has been forwarded to the Oilfield Unit
processing.

It is our opinion that your application cannot be considered
as topography, and that your application is therefore not eligible
for administrative approval under the provisions of the Special
Rules and Regulations governing the pool.

We have tentatively placed your application on the agenda for
the July 26, 1965, examiner hearing. Please advise us if your
date will not be satisfactory to you. We will forward a check
you prior to the hearing.

Very truly yours
