Shar-Alan Oil Company
P.O. Box 1428
Durango, Colorado

Attn: Mr. Jack Cole

Dear Sir:

We are returning Notice of Intention to Drill which you have filed for the Shar-Alan Oil Company #2 H.B. Browning in the SW¹/₄ Section 33-24N-1W. Our files do not indicate that your company has posted a plugging bond with the Commission. This must be done prior to approve of the Notice of Intention to Drill.

We also note that the Form C-128 does not correspond with the Notice of Intention to Drill, as this form shows "Dream House Acres, Inc." as the operator. It will also be necessary that you outline the acreage to be dedicated on the plat, answer the questions regarding the ownership and sign for the operator on the righthand side of the page.

We also find that we need two copies of Notice of Intention to Drill and plats on the Dream House Acres #1-A Duff well in Section 22-24N-1W.

If you have any questions regarding the above, please contact us.

Yours very truly
