13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Well will be permanently plugged and abandoned, as it is no longer capable of producing oil or gas in paying quantities. It is anticipated that the procedure will commence during the last quarter of 1994. Plugging program will be forwarded to your office once it is completed.
