12. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent date, including estimated date of starting any proposed work) SEE RULE 1103.

Request to Temporarily Abandon the Juniper #1 until the development and disposal wells have been Drilled, Completed and put on Production.

Reference - Docket # NMOCD R-11462 Case # 12485

The Juniper #1 was Drilled, Completed and put on Production in June 1998 and shut in August 18, 1998 due to high water production with no gas production. It was tested again in November 1999 for the month of November and then shut in until April 2000. It was produced from April 2000 through July 2000, at this time it was shut in waiting on approval of further development.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
