Mr. A. R. Kendrick
Oil Conservation Commission
1000 Rio Brazos Road
Aztec, New Mexico

Dear Mr. Kendrick:

In response to a copy of a letter from W. L. Smith concerning the above well, we are enclosing a copy of the billing from Western Drilling Co., Inc which is the only log we received from them.

Trusting this will be of some information,

Sincerely yours,

Sam G. Dunn, M. D.
