OIL CONSERVATION COMMISSION

1964

[Faint handwritten signature]

The image is a very poor quality scan of a document, likely a ledger or a form. It features a grid-like structure with several rows and columns. The text is almost entirely illegible due to extreme darkness and blurring. In the bottom right corner, there is a prominent checkmark or a large 'X' mark. Some faint, dark smudges and lines are visible across the page, but no specific data or text can be discerned.
