INSTRUCTIONS

The addresses, as required on this report, shall be clear and definite as to Street Number, City and State.

Where gas is taken from an oil and/or gas well by the producer into a fuel or other gas system and used outside the basic lease said producer is required to make this report. In case gas is taken at the well by any person other than the producer then such person is required to make this report.

This report shall be filed in duplicate on or before the 15th day of each calendar month and shall be complete as to data covering the calendar month next preceding the date of filing. One executed copy shall be filed with the Oil Conservation Commission at Santa Fe, and one executed copy shall be filed with the District Office at Hobbs.

Report the volume of gas taken from each gas well separately. Report the volume of gas taken from oil wells by units. All volumes shall be reported in M.C.F. at 15.025 Lbs. pressure.

If any space does not apply fill in the word "NONE."

Make a separate report for each field or pool.

Please use typewriter if possible.
