Dear Mr. Arnold:

This is to confirm a telephone conversation between yourself and Mr. R. E. James of Honolulu Oil Corporation on subject letter. It is our understanding that the original packer test conducted on September 9, 1958 and submitted to your office on October 7, 1958 by Mr. George Hoy and supported by an additional test covered by letter dated December 22, 1958 from myself will meet your present test requirements.

Unless otherwise instructed by you, it is assumed that the test requested in the subject letter has now been cancelled. Please advise if this action is not a proper interpretation of the aforesaid telephone conversation.

Yours very truly,

HONOLULU OIL CORPORATION
