#24 (F-6) INJECTION WELL

F-6-26N-1E

30-039-08180

Dear Charlie:

For your file on the captioned well, enclosed is a copy of pressure chart showing test made June 19-20, 2001 after pulling tubing and packer and setting retrievable bridge plug just above the casing shoe.

Before pulling the packer, the well showed communication between the tubing and the casing.

Yours truly,

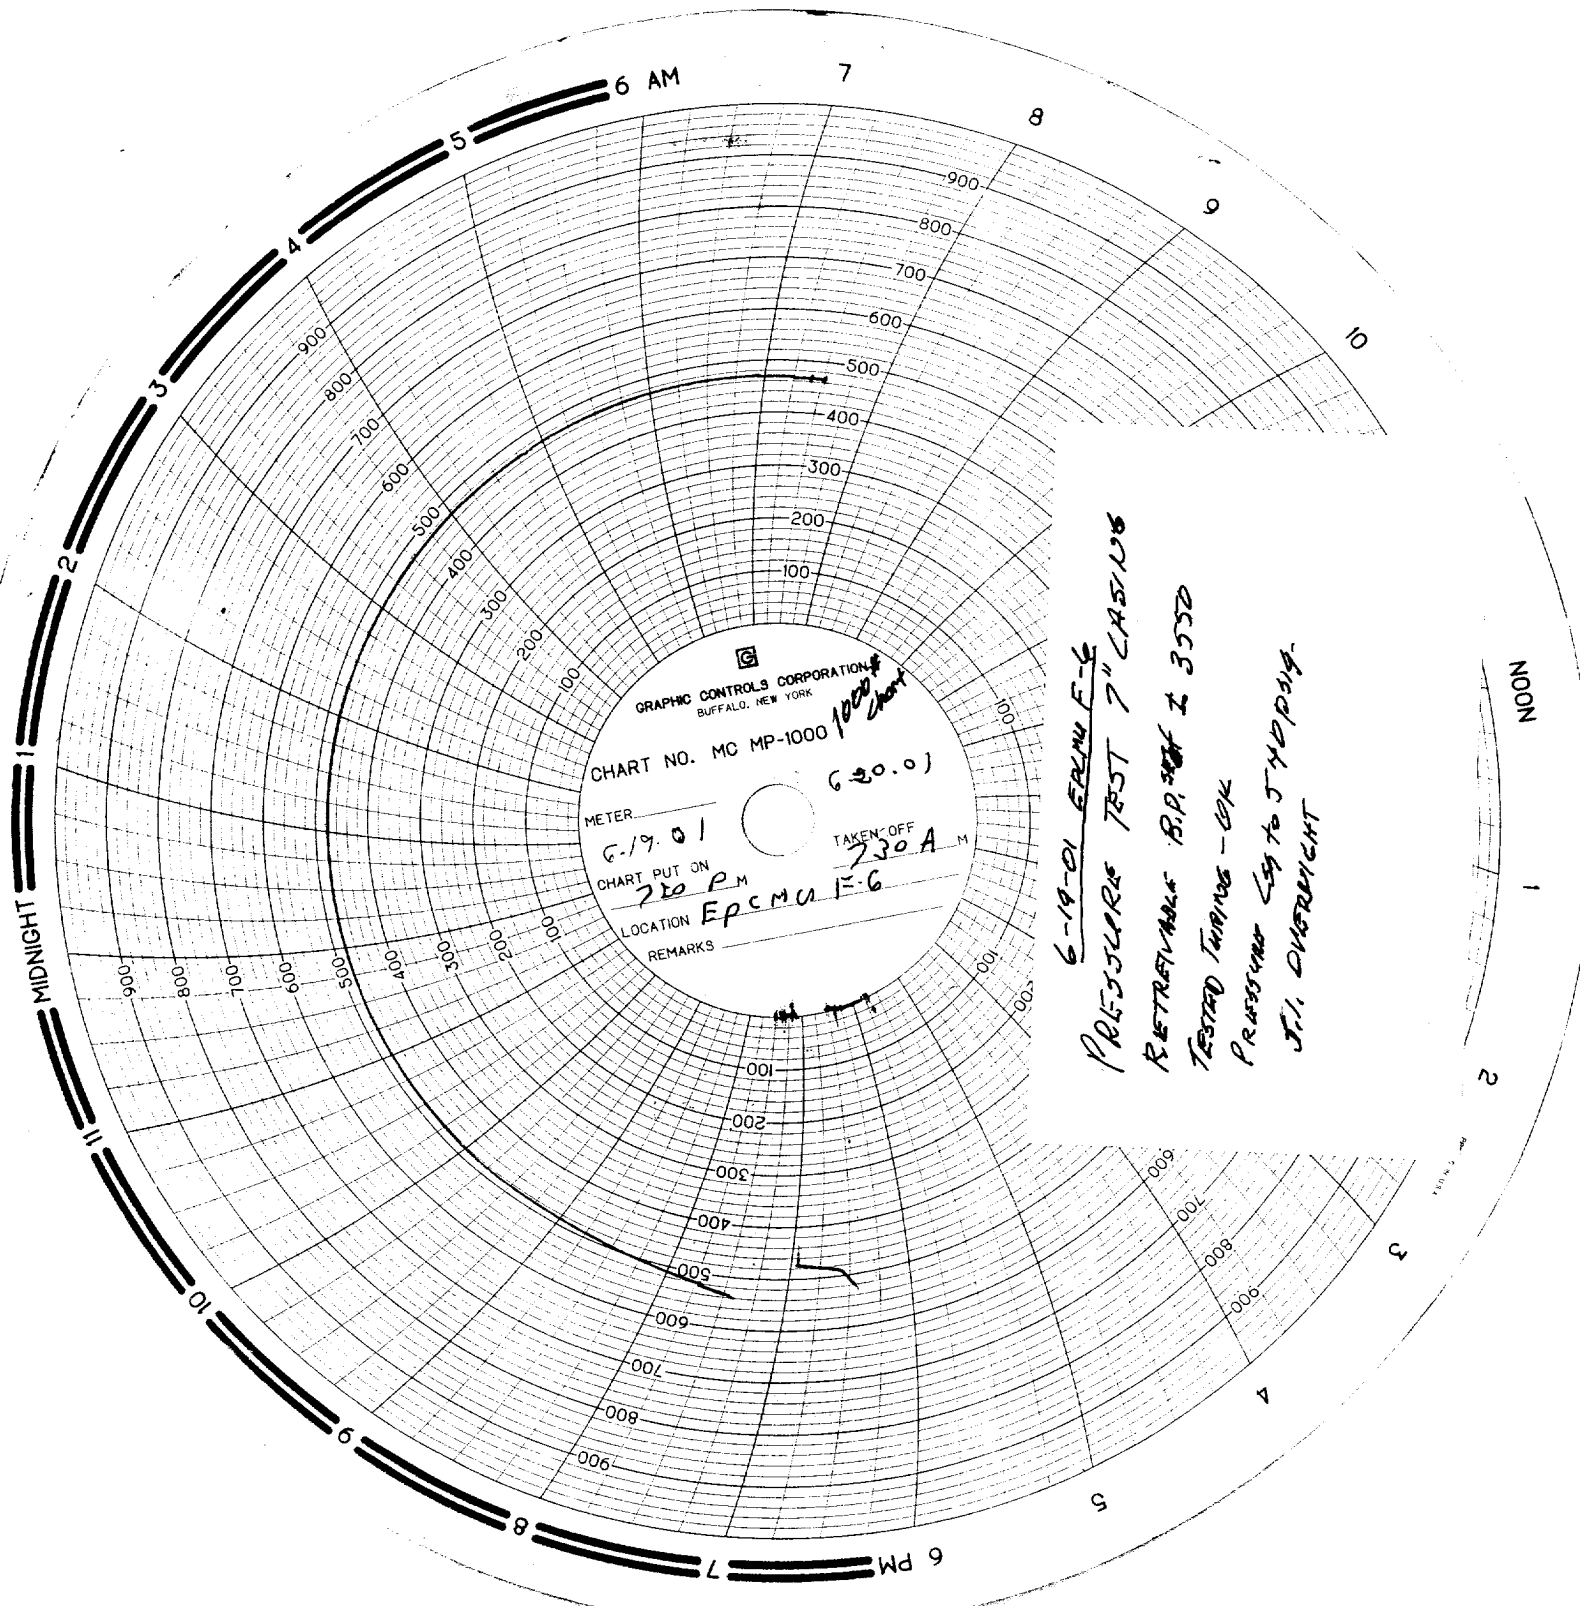

BENSON-MONTIN-GREER DRILLING CORP.
