Re: Drilling Application
Mobil Oil Corporation
Jicarilla "B" Well #3-A
Blanco Mesaverde Pool
Rio Arriba County, New Mexico

Gentlemen:

Mobil Oil Corporation respectfully requests authority to drill the subject well. This location has been reviewed by the appropriate Federal Surface Agencies and is acceptable to them. Six copies each of the following documents are submitted in support of this request:

1. Form 9-331-C, Application to Drill
2. Diagrammatic Sketch of Blowout Preventer Program
3. Multi-point surface use plan, including:
 - (a) a rig layout and location plan
 - (b) an area map
 - (c) a vicinity plat showing roads
 - (d) a certification statement
4. New Mexico Oil Conservation Commission Form C-102

Should additional information be required, please advise.

Yours truly,

J. A. Morris
Regulatory Engineering Supervisor
