RE: Application for Administrative  
Approval of Unorthodox Location  
for Merrion & Bayless  
Salazar G #34-1  
Gallup Test Well

Gentlemen:

Our letter to you dated August 21 included a copy of a letter to Getty Oil as an offset owner to the above referenced location. This was an error and should have been El Paso Natural Gas Company. Therefore, we have written El Paso requesting their waiver, copy attached. Please advise if you require anything further.

Yours truly,

MERRION & BAYLESS

RE: Application for Administrative  
Approval of Unorthodox Location  
for Merrion & Bayless  
Salazar G #34-1  
Gallup Test Well

Gentlemen:

We request administrative approval of subject unorthodox location because of topography conditions. The orthodox site is lying on the side of a wash.

Offset owners as identified on the enclosed plat have been notified by Certified mail.

Yours truly,

MERRION & BAYLESS

Re: Application for Non-Standard  
Location: Salazar G 34 Well No. 1,  
Sec. 34, T-25-N, R-6-W,  
Rio Arriba County

We may not process the subject application for non-standard location until the required information or plats checked below (is) (are) submitted.

☐ A plat must be submitted clearly showing the ownership of the offsetting leases.

☐ A statement must be submitted that offset owners have been notified of the application by certified mail.

☒ A plat must be submitted fully identifying the topography necessitating the non-standard location.
