

Kathleen - on this I have checked file, cards, baskets, etc.
Found nothing but these two NITDs. Small card
was not made and I have made it and filed along
with Kardex file card. Also made folder attached.
Seems to have been received here July 11, and Myra
checked plat, so looked for copy of letter - did
not find.

Location apted this. Not
mark.

After trouble for some time
to be better.
