Dear Mr. Geffs:

The Notice of Intention to Drill subject well did not specify that the Mesaverde Formation will be covered with cement behind the 4 $\frac{1}{2}$ " casing.

The location of subject well is within one mile of the Blanco Mesaverde Pool. Therefore, the Mesaverde Formation should be protected by cement.

If we can be of further service, please contact us.

Yours very truly,

*A. R. Kendrick
Engineer, District #3*
