Gentlemen:

Our records indicate that Western Development Company recently completed their #1 Holloway well located in Unit N, Section 6-26N-11W as a producing oil well in the Gallup Formation.

Form C-128 on file shows an improper acreage dedication. Will you please re-file Form C-128 ; in triplicate on this well correcting the acreage dedication to 40 acres, as required by our state wide oil well spacing rules.

Yours very truly
