ARCO Oil and Gas Company requests permission to obtain temporary abandon status for this side of a dual Mesaverde and Pictured Cliffs completion. The Pictured Cliffs Formation is incapable of production due to low bottom hole pressure and water production. Currently the Mesaverde Zone is producing. ARCO requests permission to T-A the Pictured Cliffs Zone until such time that a workover is required on the lower Mesaverde Zone. At that time, ARCO will request permission to permanently abandon the Pictured Cliffs Zone.
