Gentlemen:

The above well was drilled by your company in the summer of 1969. Copies of Sundry Reports and Copies of Form 9-330, Federal Well Record, were received in this office. It was stated on the well record form that the well had been plugged and abandoned. However, we have never received our copy of Federal Form 9-331, Subsequent Report of Plugging and Abandonment, setting out the details of plugging. Will you please file five copies of this form with the U. S. G. S. office in Farmington, New Mexico? They will forward two copies to us.

Thank you.

Yours very truly,

  
Emery C. Arnold  
Supervisor, District #3
