A Sundry Notice filed by J.K. Edwards Associates, Inc. (JKEAI) dated June 5, 1996, advises the BLM that the Armour Federal 1Y well is going to be connected to El Paso's pipeline and put into production once we receive right-of-way (ROW) approval from the Navajo/BLM. We have been trying to acquire this ROW for over 8 months.

Please be advised that JKEAI is ready to place the Armour Federal 1Y well into production once ROW approval is received. Therefore, JKEAI respectfully requests an additional 90 to 120 days to be granted ROW approval and place this well into production.
