Dear Mr. Chavez:

Please be advised that Merrion Oil & Gas has two wells located on the above captioned acreage, Chaco #2, and Chaco #3. These wells are to be plugged and abandoned as soon as possible.

Merrion Oil & Gas does not intend to produce these wells and therefore feel that Maralex Resources should be allowed to produce their Gallegos Federal 26-12,7 #1, and Gallegos Federal 26-13-12 #1 well, which are also located on said acreage.

If you have any questions, please call.

Yours Truly,

MERRION OIL & GAS CORPORATION
