San Juan County, New Mexico

Dear Sir:

Enclosed are duplicate copies of U.S.G.S. Sundry Form 9-331 (explaining the necessity for a spacing exception), the location and elevation plat (showing offset ownerships) and the applicable topographic map (showing location and access road).

The appropriate waivers will be sent under separate cover by Gabriel Bjerke (Landman, Supron Energy Corporation in Dallas), who confirmed this matter with me in a telephone conversation on November 28, 1979, and John Ahlm (District Landman, El Paso Exploration Company in Farmington), who confirmed this matter with me in a telephone conversation today.

Please note that this location is a farmout from Supron Energy Corporation.

Should you require any additional information in order to approve this Application for Spacing Exception, please advise. This application supersedes the one submitted on November 28, 1979.

Very truly yours,

POWERS ELEVATION
