Gentlemen:

Approval is hereby granted for the drilling of your No. 2 G-D Evensen well in the SE $\frac{1}{4}$  SE $\frac{1}{4}$  sec. 19, T. 27 N., R. 10 W., San Juan County, New Mexico.

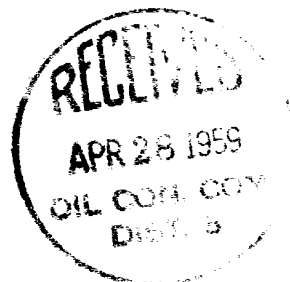

However, approval is granted subject to the stipulation that a 100 ft. plug be cemented behind the pipe across the base of the Pictured Cliffs formation. This stipulation is necessary since you are drilling through a Pictured Cliffs gas pool.

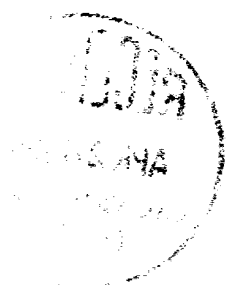

Approval is also subject to State approval of the dual completion.

Very truly yours,

Jerry W. Long  
Acting District Engineer
