Downhole Commingling Request
Page Two

Approval of this commingling application will allow for the prevention of wasted resources and protection of correlative rights. Included with this letter are plats showing ownership of offsetting leases for both the Pictured Cliffs and Fruitland Coal, a copy of letters to the BLM and the offset operators, and an allocation formula.

Sincerely,

A handwritten signature in cursive script, reading "Arden Walker, Jr.", written in black ink.

Arden L. Walker, Jr.
Regional Production Engineer
