Dear Mr. Arnold:

Re: Notice of Gas Connection

Please void copy of Notice of Gas Connection, advising of first delivery under O. W. W. C., of Skelly Oil Company - Charlie Pah #2, located Unit "B" 12-20-9.

This report, submitted March 3, 1959, reported the well as having been first delivered after work over on February 25, 1959. However, the well was not actually worked over prior to this delivery, therefore the report was in error.

Very truly yours,

  
W. M. Rodgers
