17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Hancock No. 8 has been in a temporary abandoned status since August, 1968.

Plans are to plug and abandon by setting cement plug at base of 7" production string and across Pictured Cliffs ss in open hole. Run free point, shoot off 7" casing and salvage same. Spot cement plug on top of 7" stub. Set cement plug across base of 10 3/4" surface casing at 91'. Set cement plug at surface and erect regulation marker.

Plan to drill new well in NW-NE, Sec. 12 of 160 acre spacing unit and complete in Pictured Cliffs ss. Presently obtaining partners approval to complete this work to be scheduled during spring or summer 1975.

18. I hereby certify that the foregoing is true and correct
