Gentlemen:

Your wells, Candelario #1, located SE 1-27-9 and Charles #2, located NW 12-27-9, are tied-in and ready for production as of June 4, 1965.

Due to necessary forms not being filed with the New Mexico Oil Conservation Commission in Aztec, we do not have authority to produce these wells.

Please advise.

Very truly yours,

EL PASO NATURAL GAS COMPANY
