CONFIDENTIAL—CHIEF RECEIPT REQUESTED

Petroleum Energy, Inc.
P.O. Box 1507
Durango, CO 81301-1507

Gentlemen:

Enclosed are your Applications for Permit to Drill (APDs) for the following wells:

1. No. 1-20 Navajo, SE/4SW/4 sec. 20, T. 27 N., R. 10 W., San Juan County, New Mexico, lease 100-0-14-20-5420.
2. No. 3-24 Navajo, S /4SW/4 sec. 24, T. 27 N., R. 10 W., San Juan County, New Mexico, lease 100-0-14-20-5420.

As discussed with Mr. John Keller, agent for your Company on February 12, 1986, the subject APDs are rescinded and returned due to drilling not being commenced within one year of the approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill site. If this office does not receive comment within 15 days, we will presume that no construction occurred. Later discovery that construction activities have in fact occurred, will result in an assessment.

Sincerely,

for Nat Hillenbach
