Gentlemen:

Enclosed are your Applications for Permit to Drill (APD's) the following wells:

1. No. 3 Navajo 5, NE/4NE/4 section 5, T. 26 N., R. 19 W., San Juan County, New Mexico, lease N00-C-14-20-4157
2. No. 2 Navajo Nation 33, NW/4SW/4 section 33, T. 27 N., R. 19 W., San Juan County, New Mexico, lease NOG (Operating Agreement)

As discussed with Al Kendrick of your company on July 17, 1990, the subject APD's are rescinded and returned due to drilling not being commenced within one year of the approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill sites. If this office does not receive comment within 30 days, we will presume that no construction occurred and proceed accordingly. Later discovery that construction activities have in fact occurred, may result in assessment of liquidated damages.

Sincerely,

Ken Townsend
